SUMMARY

Extroverted, organized, and passionate Career coach and Speaker, with more than two years of experience, I enjoy coaching people and organizations through change, with focus on improving communication, culture, creativity and leadership. I've authored four books and I also have more than five years of experience in advertising as a professional Copywriter, working mainly with promotional magazines and corporate presentations.

SKILLS

- Creativity *(come up with ideas, make plans, produce campaigns, co-ordinate projects)*
- Organizational development *(analyze, define and suggest solutions with strategy)*
- Copywriting *(write advertising texts, corporate presentations, website copy)*
- Interview technique *(using the Socratic dialogue for coaching, open questions)*
- Presentation technique *(preparing, speaking and hand-out executive summary)*
- Coaching approach *(believing in people's inherent competence and will to do good)*
- Listening *(listening deeply to clients and customers)*
- Decoration and display *(creating matching outfits with props to store windows)*
- Bilingual *(Swedish - native and English - fluent)*
